

**NKS** (Nordic Nuclear Safety Research) is a forum for Nordic cooperation and competence in nuclear safety, including emergency preparedness, serving as an umbrella for Nordic initiatives and interests.

**NKS runs** joint activities of interest to financing organisations and other end users producing seminars, exercises, scientific articles, technical reports and other types of reference material.

**Two Programmes** running activities: NKS-R (nuclear reactor safety, etc.) and NKS-B (nuclear/radiological emergency preparedness, etc.)

**Financing** and support comes from Nordic authorities, companies and other organisations.

**Results** should be practical and directly applicable for use by participating organisations in their decision making processes and information activities.

**NKS warmly welcomes proposals from **you** for new R&D activities**
